PROFESSIONAL EXPERIENCE

Support Developer Internship January 2025-April 2025

VasMobile Africa

- Working as an intern at VASMobile Africa offers hands-on experience in the dynamic tech and telecommunications industry. Interns engage in various projects, such as mobile application development, digital marketing, or value-added services integration, gaining valuable exposure to cutting-edge technologies and business strategies. The internship emphasizes teamwork, problem-solving, and creativity, providing opportunities to learn from experienced professionals while contributing to real-world projects
